Selected Experience

Inheritance: A Work in Progress

Properties Director

UNC School of the Arts

2020

In 6 separate hotel rooms, I worked closely with designers and directors to dress each room as new spaces. I also sat in on rehearsals and collaborated with actors and other designers on devising the work.

Soundscape: An Interactive Installation

Properties Director

UNC School of the Arts

2019-20

I worked with other students to create a completely immersive space that incorporates interactive technology. Without a TD, myself and my team were responsible for an construction and rigging in the space.

Still Life With Rocket

Properties Director

UNC School of the Arts

2019

A devised piece held in an abandoned tobacco factory, I worked with my team and fellow designers to create an immersive space in full scale. Complete with a cut-in-half trailer home, several sheds and dressing throughout the building to connect it all together, this project was the largest scaled piece UNCSA has ever done.
